SLMC

- **Water** —repairs have been done on failing water meters
- **Finance** —preparing a Financial Policy and Management Plan for the January meeting.
- **Governance**—It has been brought to our attention that a community member posted anonymously on the Scott Lake Events and Community group that they believe the board is planning on passing the updates to the bylaws. Please understand that is not correct. The Board is fully aware that the members of SLMC are the ones that approve of any changes. Once that process is complete, the revised Bylaws and CCR's will go to the membership for a vote. The Board cannot and has no intention of making any changes or approving the changes without the VOTE of the Scott Lake Maintenance Company Members. More Town Hall meetings will be scheduled in 2024 for the community to weigh in. Contact office if you have questions.

SLMC Events

- Thank you to all that came out for the photo with Santa event and the volunteers that made the event great.
- Congratulations to the winners of the 2023 Battle of the Lights.

The HERS Club will be hosting another fun BINGO Night on February 10 at the community center. Information will be posted closer to the event. Details for BINGO will be posted to
