

Scott Lake News - Edition 9 - Vol 4 - Pg 1 of 2

A monthly newsletter brought to you by Scott Lake Maintenance Company

Message from your President – Eric Riffe

I want to remind everyone that the use of motorized vehicles, including electric bikes, dirt bikes, and four-wheelers, is strictly prohibited within the park. Parents, please remember that the park is not a suitable place for your children to ride their dirt bikes and four-wheelers. Several board members have addressed this issue with them, and if it continues, we will have to call the sheriff, which could lead to further consequences.

The park is designed for individuals and families to enjoy the lake, playground, and the serene atmosphere it offers. We appreciate your cooperation in following these rules to help maintain the tranquility of our park. Thank you for your understanding in keeping our park a pleasant place for everyone to enjoy!
