## Reminder to Scott Lake Property Owners

This is a friendly reminder that, as the legal owner of record, you are responsible for all water service charges and Homeowners Association (HOA) assessments associated with your property. This includes regular dues, special assessments, fees, and any related charges.

If you have a rental arrangement, please keep in mind that agreements with tenants for payment of water bills or HOA assessments do not transfer financial responsibility. Property owners remain responsible for ensuring all charges are paid in full and on time.

For your convenience, we are happy to send a courtesy copy of the bill directly to your tenant upon request.

Thank you for your cooperation and for helping keep our community running smoothly!

**To help reduce costs, we will no longer be including a return envelope with your monthly Water/HOA invoice.**
